Our responsibilities under this law and regulation are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Act on Auditors and the Code of Ethics adopted by the Chamber of Auditors of the Czech Republic and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information in the Annual Report

In compliance with the Section 2 b) of the Act on Auditors, the other information comprises the information included in the Annual Report other than the financial statements and auditor's report thereon. Management of the Company Člověk v tísní, o. p. s. (PEOPLE IN NEED) is responsible for the other information.

Our opinion on the financial statements does not cover the other information. However, in connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is not materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

In addition, we assess whether the other information has been prepared, in all material respects, in accordance with applicable law or regulation, in particular, whether the other information complies with law or regulation in terms of formal requirements and procedure for preparing the other information in

context of materiality, i.e. whether any non-compliance with these requirements could influence judgments made on the basis of the other information.

Based on procedures performed, to the extents we are able to assess it, we report that:

- the other information describing the facts that are also presented in the financial statements is, in all material respects, consistent with the financial statements, and

Responsibility of the Statutory Body and Supervisory Body of the accounting entity for the financial statements

The statutory body of Company Člověk v tísni, o. p. s. (PEOPLE IN NEED) is responsible for the preparation and fair presentation of the financial statements that give a true and fair view in accordance with Czech accounting regulations and for such internal control as statutory body determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the statutory body of the Company Člověk v tísni, o. p. s. (PEOPLE IN NEED) is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the statutory body either intends to liquidate the Company Člověk v tísni, o. p. s. (PEOPLE IN NEED) or to cease operations, or has no realistic alternative but to do so.

The supervisory board is responsible for the supervision of the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with above mentioned regulations will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the above law or regulation, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not

detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control of the Company Člověk v tísní, o. p. s. (PEOPLE IN NEED).
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the statutory body in the notes to the financial statements.
- Conclude on the appropriateness of the statutory body's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company Člověk v tísní, o. p. s. (PEOPLE IN NEED) to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company Člověk v tísní, o. p. s. (PEOPLE IN NEED) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the notes to the financial statements, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the statutory body and supervisory board, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
